

## Definitions applicable to the MDDD Reporting

**Business Lines:** Lines paying a Business Tariff and/or classified as such by the SPs;

**Number of Active Lines:** The number of active lines that have registered an activity in the previous three months;

**Number of Active Channels:** Two (2) channels per any Basic Rate Interface (BRI) Active Subscriptions and thirty (30) channels for any Primary Rate Interface (PRI) Active Subscriptions;

**Managed VoIP Lines:** Refers to the number of voice over internet protocol (VoIP) fixed line subscriptions;

**Minutes:** Number of minutes of traffic during the reference calendar quarter;

**Pre-paid Subscriptions:** Refers to mobile subscriptions that use prepaid refills. These are subscriptions where, instead of paying an ongoing monthly fee, users purchase blocks of usage time that may include voice calling, messaging and data with a range of spending options for predefined sets of usage credit and service validity durations;

**Post-Paid Subscriptions:** Refers to mobile subscriptions where the user pays an ongoing monthly fee, that may be used for voice calling, messaging and data that is offered by the SPs pursuant to the terms of the chosen tariff;

**Relevant Markets:** The Markets as defined by the CRA as an outcome of the MDDD process (ref. MDDD Notice and Orders, CRARAC 09/05/2016 A, issued on May 09, 2016 and related Orders and Economic Analyses issued during the above proceeding on MDDD);

**Residential Lines:** Subscribers paying a Residential Tariffs and/or classified as such by the SPs;

**Retail and Wholesale Services:** The Services as defined by the CRA as an outcome of the MDDD process (ref. MDDD Notice and Orders, CRARAC 09/05/2016 A, issued on May 09, 2016 and related Orders and Economic Analyses issued during the above proceeding on MDDD);

**Reporting Format:** The excel file attached to this Notice;

**Revenue:** Revenue represents the fair value of consideration received or receivable for services and equipment sales net of discounts and sales taxes. The SPs shall use definitions and revenue recognition criteria consistent with the Accounting Policies used for the preparation of their Financial Statements, unless required to the contrary in this Notice;

**Sold Bandwidth:** This represents the bandwidth sold by a SP and acquired by the Subscribers during the reference calendar quarter;

**Subscriber:** The person or entity that enters into agreement(s) with the SPs to receive and pay for service(s); the Subscriber may have several subscriptions to mobile and fixed services.
