

**November 9, 2017**  
**CRA/RAC-L/141/2017**

**Subject: Review of Class License for the Provision of Public Telecommunication Services On-board Aircraft**

Please find attached, the Consultation Document (CD) "*Review of Class License for the Provision of Public Telecommunication Services On-board Aircraft*" (Re. CRARAC 2017/11/09).

The Communications Regulatory Authority of the State of Qatar (CRA) invites your response to the CD by December 10, 2017.

To enable the CRA to take into account all arguments, response by a stakeholders (and any other interested parties) should be to the questions contained in this CD. However, the CRA also accepts general comments and observations related to the CD.

If you have any further questions, please do not hesitate to contact Ahmad Sultan (email [asultan@cra.gov.qa](mailto:asultan@cra.gov.qa)) or Stephen Nelson (email [snelson@cra.gov.qa](mailto:snelson@cra.gov.qa)).

Sincerely,

Dr. Rainer Schnepfleitner  
Regulation Affairs & Competition Department Manager
